

*Every Thought Captive in Obedience to Christ*  
**CELEBRATING OUR TEN YEAR ANNIVERSARY!**

- Cambridge Study Center & Berean Academy: In our ongoing effort to spread the study center's vision and influence to other communities, Cambridge Director, **Bruce Kirby** has accepted the position of Headmaster at Berean Academy in Tampa, Florida. Bruce will continue to serve as Director at Cambridge and teach classes at the Lakeland campus. Berean has expressed their enthusiasm for implementing much of the study center's philosophy of education and methodology. Cambridge faculty member **Eric Fullgraf** will be teaching several classes at Berean during the 2006-07 School Year.

- **Bruce Kirby** and **Eric Fullgraf** attended this year's American Classical Christian Schools Conference in Covington, Kentucky along with the faculty, staff and board members from Berean. Among the Conference's speakers was **Douglas Wilson**, founder of the Logos School in Moscow, Idaho and author of a number of books on education, including *Rediscovering The Lost Tools of Learning*.
- **Bruce** recently spoke to two large groups of homeschooling parents: *Homeschoolers on the Ridge* in April and the *Hope Homeschoolers* in May. Along with his many speaking engagements he is involved in teacher training at Geneva Classical Academy in Lakeland.
- Summer Weddings: Cambridge graduates **Elizabeth Strawbridge** and **Jared Morrison** were married on May 27th. In related news, the study center's first student **Ben Keim** who is currently completing his doctorate in The Classics at Cambridge University married Caroline Robinson on July 1st. We wish many blessings on these two couples as they begin their lives together.
- *Thoughts Captive*, Year II student, **Zachary Green** attended a Boy Scout Court of Honor to receive his Eagle badge on June 25th. Eagle is the highest rank in the Boy Scouts of America organization. It represents many years of work, study and leadership and culminates in a major community service project. Former study center students, **John Michael Forman** and **Eli Bacheldor** will also receive their Eagle badges this summer. Congratulations to these young men on their impressive achievement.
- Former Cambridge student **Richard Pearson** was a notable artist again this year at Lakeland's Mayfair by the Lake. Richard and his innovative multimedia Polaroid works were also featured in the entertainment publication, *Today and Tonight*.
- *Thoughts Captive*, Year IV student **Stephen Davila** was featured in Pied Piper Players's July production of *West Side Story*.
- In June study center graduate **Karis Medina** exhibited her photography at Mitchell's Coffee House in a show called *View from the Road*. Last spring Karis showed her art in Platform Florida, a show that was curated by Richard Pearson.

- Cambridge faculty member **Cannon Kirby** is exhibiting fifty drawings at Mitchell's. His show, titled *Haikus & Charicatoos*, is open to the public and runs the entire month of July. Cannon's Digital Photography workshops have been extremely well attended.
- We are sad to say goodbye to four of our Cambridge students. *Adult Thoughts Captive* student **Franziska Sexton** and her two sons, **Josh** and **Micah** (both in the *Cambridge Preparatory* program) join their family in relocating to Pennsylvania with the ultimate goal of becoming missionaries to China. *Adult Thoughts Captive* student **Jenn Harry** leaves at the beginning of August for Ann Arbor, Michigan to attend law school at the University of Michigan. We wish all our departing students much happiness and success as they seek to build the Kingdom throughout the world.
- Congratulations to our first *Adult Thoughts Captive* class for completing the entire curriculum this year. Class members were **Elizabeth Allen, Lynn Catching, Kären Douglass, Janie Kirby, Barbara Mesh, Harriet Montgomery, Robin Streets** and **Teresa Thrush**.
- Current and former study center students spent ten days this summer in Reynosa, Mexico working with hearing impaired and orphaned children. Their work included building and modifying educational facilities and leading in a Summer Bible School for the children. The team included **Matthew Brandt, Joy-Marie Harrison, Jenn Harry, Jeff McDonald, Thomas Morrison, Nathan Sligh, Dellyne Strawbridge, Luke Strawbridge, MariJane Strawbridge, Rick Strawbridge, Michael Strawbridge,** and **Julie Thrush**.
- **Dellyne Strawbridge** has returned to Mexico for another short-term missions trip, and **MariJane, Michael** and **Rick Strawbridge** are currently in Romania working with Habitat for Humanity.
- Special thanks to all who contributed so generously to the Cambridge Foundation Board Matching Grant Drive.
